

SPONSORSHIP PACKAGE

OPERA FOR ALL

Giving the audience an experience that will stay with them for a lifetime.

MAGIC CITY OPERA

Mission Statement:

Magic City Opera (MCO), established in 2016, is dedicated to creating experiential events that entertain and educate South Florida audiences through the powerful medium of opera. Our unwavering commitment is to make opera accessible to all, striving to offer low-cost or free admission to ensure inclusivity.

Presentation Philosophy:

MCO believes in the impact of concise and engaging presentations with a duration limited to 90 minutes or less. This approach allows us to create inclusive experiences that resonate with audiences from all walks of life.

The "High Five" of Creative Arts:

MCO integrates the five creative arts - Music, Drama, Visual Art, Dance, and Literary Arts - into each performance. We aim to give our audience a holistic artistic experience that lingers in their hearts and minds.

Accessible Opera:

True to our MCO mission, we strive to make opera accessible by offering free admission or low-cost ticket prices when necessary. Our goal is to extend the joy of music and the love of opera to the community at large, ensuring access for all.

Upcoming Concerts:

Magic City Opera is excited to make **Gesu Catholic Church in downtown Miam**i its permanent downtown home with a series of three annual performances starting in 2024-2025. The upcoming concert features the Children of the S. Miami Middle Magnet as our Guest Choir, with the possibility of Miss Florida, an MCO alum, joining for future performances.
